

SWING FOR **SALISH** CLASSIC

SUPPORTING THE SALISH CANCER CENTER

TOURNAMENT PROGRAM
JULY 28-29, 2026

WELCOME TO THE INAUGURAL SWING FOR SALISH CLASSIC

Welcome, and thank you for being part of the very first Swing for Salish Classic.

Today marks the beginning of what we hope will become a lasting tradition and we are grateful you chose to spend the day with us.

At Emerald Queen Casino & Hotel, the work we do is rooted in the values of the Puyallup Tribe of Indians. Among those values, few run deeper than caring for the health and wellbeing of our people and our neighbors. This tournament is one more way of honoring that commitment. Proceeds from today go directly to the Salish Cancer Center, so that anyone in our region facing a cancer diagnosis can find expert, personal care close to home.

Your sponsorship, your generosity, and your time on the course all become part of that mission, bringing hope and support to patients and families when they need it most.

We hope today brings you good golf, good company, and a true sense of the difference you are helping to make.

Thank you for being here at the very beginning.

With gratitude,

YALE ROWE

CHIEF EXECUTIVE OFFICER
EMERALD QUEEN CASINO & HOTEL

ABOUT SALISH CANCER CENTER

Founded by the Puyallup Tribe of Indians in 2015, Salish Cancer Center provides state-of-the-art, integrative cancer care to patients throughout the Pacific Northwest. Their approach combines highly respected, evidence-based conventional cancer treatment with complementary therapies chosen by each patient, creating a personalized model of care that supports healing of the body, mind, emotions, and spirit.

This integrative philosophy includes services such as medical oncology, naturopathic medicine, therapeutic nutrition, acupuncture, Native spiritual healing, immunotherapy, targeted therapies, and supportive care. Beyond treatment, Salish Cancer Center offers resources for patients and caregivers, including social work services, survivorship support, and financial counseling.

As a not-for-profit organization of the Puyallup Tribe of Indians, Salish Cancer Center is committed to transforming the lives of those touched by cancer through compassionate, innovative, and holistic care that is accessible to both Tribal and non-Tribal members of the community.
